

# ForensiQ Digital Forensics Investigation Report

## CASE INFORMATION

|              |     |
|--------------|-----|
| Case Name    | N/A |
| Investigator | N/A |
| Case Type    | N/A |
| Priority     | N/A |
| Status       | N/A |

## EVIDENCE INFORMATION

|           |                                                                  |
|-----------|------------------------------------------------------------------|
| Filename  | msgstore.db                                                      |
| File Type | application/octet-stream                                         |
| File Size | 24576                                                            |
| SHA-256   | 53a4d694b9a5159f9aca62b5e5e2d0f9b59404ae5e23c8bff915c11136c175d2 |
| Integrity | Verified                                                         |

## FORENSIC SUMMARY

Evidence acquired successfully.  
SHA-256 integrity verification completed.  
Digital evidence preserved without modification.  
Chain of custody maintained.  
AI analysis completed successfully.
